SALUS CONTROLS

Smart Plug

Model: SP600

Installation Manual

Introduction

Smart Plugs go directly into an open outlet (like an extension of the outlet) giving a user connected control over the device plugged into the equipment. Salus offers standardized Smart Plugs for EU, UK and U.S. This product must be used with the Universal Gateway (UG600/UGE600) and the Salus Smart Home App. Go to www.salus-smarthome.com for the PDF version of the manual.

Product Compliance

This product complies with the essential requirements and other relevant provisions of Directive 2014/30/EU, 2014/35/EU, 2014/53/EU and 2011/65/EU. The full text of the EU Declaration of Conformity is available at the following internet address: www.saluslegal.com.
